

Getting Ready for the B.E.S.T. Mathematics Standards

Professional Learning Opportunities

July 2022

Collaborative Planning for the Mathematics B.E.S.T. Standards

This learning opportunity will include a brief overview of the B.E.S.T. standards then time for planning for the 22-23 school year using the curriculum maps and new resources. Textbooks will be available to use to plan lessons and curriculum specialist will be at the sessions to support planning.

Sign up in MyPGS using the section numbers below, feel free to sign up for more than one session. Collaborative Planning Rate will be paid for participants at \$25 per hour and in-service points will be awarded.

Location: The VUE Building
1381 Educators Rd
Daytona Beach, FL 32124
