March minutes were unanimously approved.

Ms. Kopnicky explained how the virtual voting for 2020-2021 District Advisory Committee chairman and vice chairman would take place. There were 2 nominees for the chairman position, Ms. Jennifer Marinaccio and Ms. Kim Short, and one nomination for the vice chairman position, Ms. Angela Kopnicky. All three nominees were given 2 minutes to speak. A link was emailed to the DAC members to vote during the virtual meeting. During the voting time Dr. Fritz and the school board members all said a few words. Once the voting was closed and calculated, the results ended in a tie for chairman. As per DAC bylaws; in the event of a tie in voting, the chairman shall cast the deciding vote. After consideration Ms. Kopnicky choose Ms. Jennifer Marinaccio as the chairman. Ms. Kopnicky stated it was a difficult decision but felt Ms. Marinaccio was cut short this year as an officer with having to cancel two meetings in 2019-2020 term. She opted to allow her the opportunity to have the experience next year hopefully uninterrupted from unforeseen reasons. The 2020-2021 District Advisory Committee elected officers will be Ms. Jennifer Marinaccio, chairman and Ms. Angela Kopnicky, vice chairman.

The meeting ended at 5:50 p.m.
