

Keep your knowledge on the cutting edge

Bring the best learning tools to your school and your students. We offer a variety of continuing education courses online that fit your busy schedule. Discover new ways to solve everyday problems and find fresh strategies and techniques to elevate the classroom experience. Our courses — aligned with the Florida Department of Education requirements — are all three credits, unless otherwise noted.

Continuing Education Units (CEUs) cannot be converted into academic credit. It is the student's responsibility to confirm whether or not CEUs earned at University of Phoenix will be accepted by employers and/or applicable licensing agencies. While widely available, not all Continuing Education Unit coursework is available in all states or in both online and on-campus formats. Please check with a University Enrollment Advisor.

Although our continuing education for teachers courses are accepted by many state agencies in the United States toward teacher certifications and endorsements, this may not be the case in all states or foreign jurisdictions. If you plan to use courses for certification or endorsement, please check with your own state agency and your school district for applicability. Continuing education for teachers courses are not eligible to apply to degree programs at University of Phoenix. These courses are not eligible for federal financial aid.
