## **CHAMPS Classroom Management Schedule**

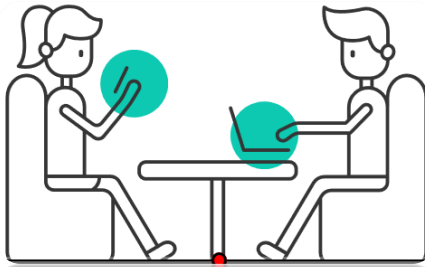

Mandatory Component of the VCS New Teacher Program

**See Registration Details Below!**

Student misbehavior continues to be a leading frustration for teachers and a drain on instructional time. CHAMPS (and its parallel, Discipline the Secondary Classroom) is designed to help educators develop an effective classroom management plan. The CHAMPS approach emphasizes the use of clear expectations and positive relationships to increase student motivation and reduce off-task behavior during instruction and independent work periods.

\* CHAMPS is a mandatory component of the VCS New Teacher Induction Program (TIP). These trainings are now available on MyPGS.
