

# Getting Ready for the B.E.S.T. Mathematics Standards

## Professional Learning Opportunities

July 2022

### Virtual Math Academy

Prefer virtual learning? Want to learn from home or anywhere?

The Virtual Math Academy will allow you to participate in the B.E.S.T. Overview training and the Textbook Overview & Implementation sessions in a virtual learning environment.

Inservice points will be awarded.

Session	Tuesday, July 19, 2022	Wednesday July 20, 2022
B.E.S.T. Standards for Mathematics Overview  Audience: <i>K-12 Math Teachers</i>	9:00am – 11:00am Section # 100691	12:30pm – 2:30pm Section # 100692
K-5 Textbook Overview & Implementation  Audience: <i>K-5 Math Teachers</i> Publisher: Big Ideas	12:30pm – 3:30pm Section # 100693	9:00am – 12:00pm Section # 100694
6-8 Textbook Overview & Implementation  Audience: <i>6-8 Math Teachers</i> Publisher: SAVVAS	12:30pm – 3:30pm Section # 100695	9:00am – 12:00pm Section # 100696
Algebra 1, Geometry, Algebra 2 Textbook Overview & Implementation  Audience: <i>Alg 1 &amp; 2 and Geo Math Teachers</i> Publisher: BIG IDEAS	12:30pm – 3:30pm Section # 100697	9:00am – 12:00pm Section # 100698
High School Math Textbook Overview & Implementation  Audience: <i>Teachers of MCA, MCLA, PreCalc, AP Calc AB</i> Publisher: Nat Geo/Cengage	12:30pm – 3:30pm Section # 100699	9:00am – 12:00pm Section # 100700
High School Math Textbook Overview & Implementation  Audience: <i>Teachers of Prob &amp; Stats, AP Stats, AP Calc BC</i> Publisher: BFW	12:30pm – 3:30pm Section # 100701
