Search, Register, Withdraw for Professional Learning in MyPGS

Search

There are several options for searching for professional learning in MyPGS-specific search, advanced search, or show all.

1. **Search**– Search for a specific course - type in a keyword, course number, or section number and then click on Search button. You can also type a specific title in using quotation marks!

2. **Advanced Search -** Using the Advanced Search will provide you with different search options. Select from the drop-down.

3. **Show All -** To just browse the calendar to see what is available, use the show all option.

   > **TIP - Did you know** when browsing the calendar you can change the number of records you see on a page? At the bottom right of your first page, change the number of records per page to show.
