# PARENT PROCESS TO APPLY

Parents/guardians whose student meets the grade level requirements will be able to apply for Career Academy programs through the Parent Portal.

The Career Academy Application 2022 will appear for the parent under their child's name in the left-side menu on their Parent Portal.

Your student's demographic and contact information will be located at the top of the application.

Welcome to the Career Academy Application for the 2022-23 School Year!

Student Name	Student ID	Current Grade	Projected Grade	Home Address	
Skywalker, Luke	1931494	11	12

Please note that this data can only be changed at the school where the student is currently enrolled. Proof of address must be presented to change the address.

Please read the Agreement of Understanding and select your response from the dropdown.

Agreement of Understanding?

[▼]

Agreement of Understanding
I have read, understand, and agree to the following:
1. All of the STUDENT INFORMATION is true and correct.
2. A student (9th, 10th, and 11th) must be able to complete the CTE program associated with a career academy program of study.
3. If a student's career academy of choice is also offered at the student's zoned school, the student must attend the career academy at the zoned school.
4. Admission into a career academy requires the student to complete this District Career Academy Application.
5. Student eligibility into a career academy may be determined by such factors as academy offerings at the zoned high school, academic performance, attendance, and conduct.
6. NO bus transportation is available for a student to attend an out-of-zone high school. If the career academy of choice requires a student to attend an out-of-zone high school, the student must provide his/her own transportation.
7. An out-of-zone student who withdraws from a career academy must return to the student's zoned school. An out-of-zone student is defined as a student attending a geographic service area career academy that is NOT located at the student's zoned school.
8. When the number of qualified student applicants to an academy of choice exceeds the number of available positions, a random selection process (lottery) is utilized to accept qualified applicants.
9. If the student is not accepted into an academy of choice in the 9th grade year, the student may reapply in the 10th or 11th grade year.
11. Deadline to submit this District Career Academy Application is January 31, 2022.

In next box, please select the Academy you wish to apply to. You may make up to three choices. Each Academy can only be selected once.

Choose Programs

You may make up to 3 Program choices. Select programs from (1) to (3), with (1) being your most desired program. Once you've selected your choice(s), make sure to click Save at the bottom of this screen. Please carefully review your choices as these are final and used for enrollment decisions.

Programs

Choice	Title	School	Program Description & Additional Requirements	Priority
[▼]	Aquaculture, Environmental & Marine Science	ATLANTIC HIGH SCHOOL - 4941	The Academy prepares students to preserve and protect the earth by working in careers related to aquaculture and environmental services. Students are immersed in ecologically significant projects such as water quality testing, marine life sampling and invasive species eradication. School Contact: Sarah Olsen; E-mail: slolsen@volusia.k12.fl.us	None
[▼]	Law & Government	ATLANTIC HIGH SCHOOL - 4941	The Academy focuses on careers in the areas of law, government and public service. The Academy provides curriculum and internship experiences for students who aspire to be lawyers, politicians, police officers, forensic scientists, crime lab technicians and other law and government related fields. Academy Director: Sarah Olsen; E-mail: slolsen@volusia.k12.fl.us	None
[▼]	Technology, Engineering, Science & Aeronautics	ATLANTIC HIGH SCHOOL - 4941	The Academy introduces students to the aerospace industry and prepares them for college and careers in aerospace drafting, engineering and technical operations; aviation non-flight and flight operations; and federal government air traffic control specializations. Students have the opportunity to earn concurrent college credit through a partnership with Embry Riddle Aeronautical University (ERAU). School Contact: Sarah Olsen; E-Mail: slolsen@volusia.k12.fl.us	None
