

# Welcome to Your Career In Education

**At National Louis University, we believe in the power of skilled teachers and education leaders.** We prepare our students through innovative teaching techniques and curriculum that develops and empowers students.

Because of the teacher shortage in Florida and across the nation, today presents a greater demand for teachers. Take the next step to earn your Florida Professional Educator Certificate while honing your teaching practice to maximize your positive impact on Florida's students.

**YOU CAN SHAPE THE PATH  
FOR FUTURE GENERATIONS.**

**National Louis University** offers adults with their bachelor degree a pathway to licensure in Elementary or Secondary Education in Florida.
