## Legal Notice

### Request for Professional Services

Pursuant to Florida Statute 255.103 and 287.055, Consultants' Competitive Negotiations Act (CCNA) and State Requirements for Educational Facilities (SREF), the School Board of Volusia County Florida hereby publicly announces the need to procure Architectural Services for Turie T. Small Elementary, Master Plan Project Number 2147822. The estimated construction budget for this project is \$24,000,000.

~~To be eligible for consideration, interested~~ Interested firms must be certified by the School Board and shall hold a current Certificate of Qualification ~~prior to the date of submission~~. Firms not holding a current Certificate of Qualification shall submit a completed application and transmit to the District by the submittal due date and time. Applications are available at: <https://www.vcsedu.org/facilities-design/consultant-services>.

Solicitation information, RFQ and all other relevant documents are available via the Volusia County School District web site at: <https://www.vcsedu.org/facilities-design/consultant-services>. Documents are in PDF format and may be viewed, printed or saved to your computer.

In order to be considered, interested firms must submit one (1) original printed and bound submittal and one (1) CD or flash device of the submittal in combined PDF file format in the same order as the printed submittal with corresponding bookmarks for navigation.

Submittals must be received no later than 3:00 pm on February 19, 2021. Only responses from firms that have submitted the required information per the RFQ and have a valid Certificate of Qualification by the Volusia County by the School Board will be considered.

The School Board of Volusia County Florida reserves the right to waive any informality in the selection process and to reject any or all submittals in the best interest of the District.

Address submittal to:

Ms. Janice Lucas  
Facilities Planning & Business Services  
3750 Olson Drive Daytona Beach, Florida 32124

The School Board of Volusia County, DeLand Florida  
Mrs. Linda Cuthbert, Chairman

## GENERAL INFORMATION

It is the intent of the School District to utilize the internet to disseminate information for this request to include the RFQ, addenda or subsequent information as applicable to the Project. Solicitation information, this RFQ and all other relevant documents are available via the Volusia County School District website at: <https://www.vcsedu.org/facilities-design/consultant-services>. Documents are in PDF format and may be viewed, printed or saved to your computer.

Except for the District employees named in this RFQ, Firms are cautioned not to contact or discuss with any committee, School Board member, or employee of Volusia County Schools, any matter regarding this solicitation until the School Board has approved the ranking of Firms. Failure to do so may be cause for rejection of the firm's submittal and consideration of the firm under this RFQ.

~~A current Qualification Certification with the School Board is required to meet the minimum qualifications necessary for consideration as architect for this Project. Interested firms must be certified by the School Board and shall hold a current Certificate of Qualification. Firms not holding a current Certificate of Qualification shall submit a completed application and transmit to the District by the submittal due date and time.~~ Contact Janice Lucas, Planning Technician, Facilities Planning and Business, 3750 Olson Drive, Daytona Beach Florida 32124 for the qualification process.

All questions regarding this RFQ shall be in writing via mail, hand delivery or email to: Steve Grube, Director, Planning and Construction, Facilities Design and Construction, 3750 Olson Drive, Daytona Beach Florida 32124; Email: [spgrube@volusia.k12.fl.us](mailto:spgrube@volusia.k12.fl.us).

All written inquiries must be received no later than 3:00 PM on February 15, 2021. Written inquiries will be provided a written response that shall be made available at: <https://www.vcsedu.org/facilities-design/consultant-services>.
