DRUG TESTING REQUIREMENTS

No refunds once services are rendered.

Allow 2 business days for results to be returned to our office.

It is the intention of the School Board of Volusia County to maintain a drug-free workplace and school environment for its employees and students. It is also our intention to use all available means to discourage drug use and abuse by students and employees.

Personnel policy number 415 entitled “**CONDUCT OF EMPLOYEES REGARDING ILLEGAL DRUG OR ALCOHOL ABUSE**” became effective July 1, 1991. Procedures for implementing this policy include “...provisions for drug testing applicants for employment and employees.”

Be advised that an applicant’s refusal to submit to a drug test or a positive drug test shall be grounds for refusal to hire. When recommended for a position, it will be the responsibility of the applicant to proceed to one of the listed **Centra Care** sites to complete a drug test.

Appointments can be made but are not required. Please use <http://centracare.org> and select “Central Florida” for a list of closest locations including the ones listed below. (Step by step directions are available on the website if you’d like to set an appointment.) The test fee is \$25.00 and is payable by cash, check or credit card.
