

# Drug Screening Volusia County Schools June 2016

The Authorization Document is REQUIRED at the time of drug screening. Please print the document from the website. You can also show your phone with the authorization form.

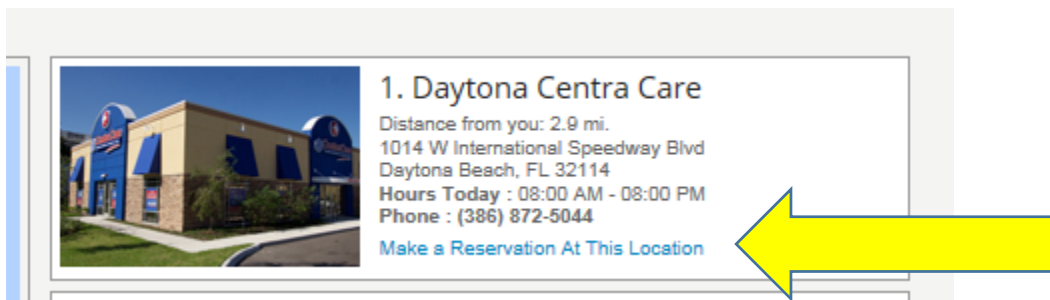

Registration for Drug Screening is NOT required. You can walk in to complete your drug screening. The current locations are listed on the lab location document. If you want to use the online registration service, please follow the directions below.

1. Choose Location – Click on Locations and then select “Central Florida” link for the closest Centra Care location.

2. Enter your City or Zip Code. Click on Find

3. Select the closest location from the list on the left. If you are going to walk in, note the address, phone and hours of operation. If you are going to make an appointment, click on Make a Reservation at This Location. This is just an example for you.

4. Complete the Tell Us What Your Reservation is For by selecting “Other” and then clicking “Next”

We can treat urgent, non life-threatening medical conditions for adults and children.

Tell Us What Your Reservation Is For

- Sick / Injured
- Corporate Physical
- School Physical
- Sports Physical
- Workers Compensation Injury
- ED Pilot
- Other

Mask fittings cannot be scheduled online and are not available at all locations. Please call the center directly to confirm the mask fit service is available.

NEXT > CANCEL

5. Select an available date and time. You will notice there are times for walk in only and for appointment. You will see the green “available.” Click in the circle next to the word Available to set an appointment.

The schedule for the Centra Care you selected is shown below. We've also included the schedules of the two next closest Centra Care locations.

**Instructions:** Check button next to the **Available** reservation that you desire.
