My school wants kids and adults to wear masks. Masks come in all different colors.
Wearing a mask helps prevent us from spreading germs.

Wearing a mask might feel uncomfortable at first.
When I put on my mask, I should make sure it is covering my nose and mouth.

Some masks have elastic that loops around a person’s ears and some tie in the back.
Even though I am wearing a mask, I can still have fun at school!

I can ask my teacher if I need help with my mask.
Wearing a mask at school is different.

I can handle this change. We all hope that Coronavirus goes away soon and we won’t need to wear masks for much longer.
