Atlantic Center for the Arts
New Smyrna Beach, Florida

IMAGES: A Festival of the Arts, ranked #16 nationwide in the Fine Arts Festival category of *Sunshine Artist* magazine, has cancelled the January 2021 event because of COVID-19 concerns by artists, patrons and volunteers.

However, the Images Student Art Exhibit, featuring the artwork of our talented Volusia County students, is presented here as a virtual exhibition. We hope you enjoy exploring the amazing creativity and skill of our K-12 art students.

Thank you, Art Teachers and students, for all your hard work during these difficult times.
