

*A Resolution of the School Board of Volusia County, Florida,
Proclaiming September 2019, as
"Attendance Awareness Month – Everybody Every Day" for the School District of Volusia County*

KNOW ALL CITIZENS BY THESE PRESENTS, that the Volusia County School Board, a political subdivision of the State of Florida, hereby recognizes September 2019, as "Attendance Awareness Month – Everybody Every Day"; and

WHEREAS, good attendance is essential to student achievement and graduation, and we are committed to dedicating our resources and attention to reducing chronic absenteeism rates, with a focus starting as early as kindergarten; and

WHEREAS, chronic absence – missing 10 percent or more of school for any reason including suspensions, excused and unexcused absences, or just two or three days a month – is a proven predictor of academic trouble and dropout rates; and

WHEREAS, improving attendance and reducing chronic absence takes commitment, collaboration and tailored approaches to particular challenges and strengths in each community; and

WHEREAS, chronic absence predicts lower third-grade reading proficiency, course failure and eventual dropout, it weakens our communities and our local economy; and

WHEREAS, the impact of chronic absence hits low-income students and children of color particularly hard if they don't have the resources to make up for lost time in the classroom and are more likely to face systemic barriers to getting to school – such as unreliable transportation, lack of access to health care, unstable or unaffordable housing; and

WHEREAS, chronic absence exacerbates the achievement gap that separates low-income students from their peers, since students from low-income families are both more likely to be chronically absent and more likely to be affected academically by missing school. Absenteeism also undermines efforts to improve struggling schools, since it's hard to measure improvement in classroom instruction if students are not in class to benefit from them; and

WHEREAS, schools and community partners can reach out more frequently to absent students to determine why they are missing school and what would help them attend more regularly; and

WHEREAS, schools and districts must do more to track, calculate and share the data on how many students are chronically absent so that we can deliver the right interventions to the right students; and

WHEREAS, all students – even those who show up regularly – are affected by chronic absence because teachers must spend time reviewing for students who missed lessons; and

WHEREAS, chronic absence can be significantly reduced when schools, parents and communities work together to monitor and promote good attendance and address hurdles that keep children from getting to school; and

NOW, THEREFORE BE IT RESOLVED BY THE SCHOOL BOARD OF VOLUSIA COUNTY, FLORIDA, IN OFFICIAL SESSION, DULY ASSEMBLED IN DELAND, FLORIDA, THIS 28th DAY OF AUGUST, 2019, AS FOLLOWS:

Section 1. The School Board of Volusia County, Florida, on behalf of all students and personnel, does hereby resolve to proclaim September 2019 as "Attendance Awareness Month – Everybody Every Day" for Volusia County Schools; and
