

Devereux Family Counseling Center

Serving Volusia and Flagler counties

The Devereux Family Counseling Center in Volusia County provides individual, family and group therapy to children and families in the office, home and school settings. Staffed by professional therapists who can provide counseling and support to assist with, but not limited to:

- Anxiety
- Anger Management
- Behavior Problems
- Depression
- Hyperactivity/Inattention
- LGBTQ+ Youth
- Relationships
- Risky Sexual Behaviors
- Self Esteem
- Sexual Abuse
- Survivors of Human Trafficking
- Trauma

Therapy Services for Flagler County is provided via Telehealth Therapy, a form of telemedicine that uses videoconferencing as a means to provide appointments with specialists.

Specialized outpatient services are also available for survivors of human trafficking, including those at risk of sexual exploitation. Wraparound services include trauma focused cognitive behavioral therapeutic services, individualized clinical treatment, as well as individual and group therapy through a multidisciplinary team of professionals. A psychiatrist also provides psychiatric evaluations and medication management services for families in challenges or crisis.

Devereux Family Counseling Services are covered through Medicaid Managed Care Plans with no direct charge to the individual or family, some private insurance and Florida Healthy Kids. Call us today to see if you are covered!
