

Accessing Zoom on iPads

What is Zoom?

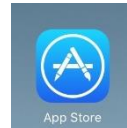

Zoom is a video communications app that allows you to set up virtual video and audio conferencing, webinars, live chats, screen-sharing, and other collaborative capabilities.

How do I Download the Zoom Desktop Application on a iPad?

1. Locate the Self-Service on **School Devices Only** on the iPad.

Personal/Home iPads must go to the App Store

2. Locate the **Zoom** app by searching “Zoom” in the search bar or scrolling through the applications.
3. Click on the Zoom Cloud icon, and install the application. (3-5 mins)

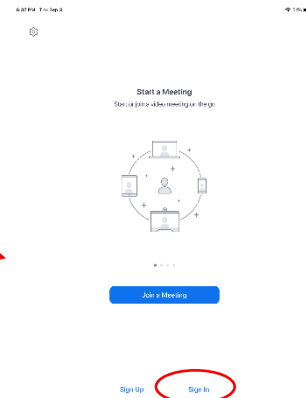

4. You should now see the  icon on your device.
